CALL FOR PAPERS

The Organizing Committee is pleased to announce that The 4th International Conference on Software Engineering and Information Management (ICSIM2021) will take place in Yokohama, Japan on January 16-18, 2021.

The accepted papers will be collected in International Conference Proceedings ACM(ISBN: 978-1-4503-8895-5), which are indexed in EI Compendex, Scopus.

The first three-year conference proceedings (2018–2020) were published online and indexed by EI and Scopus within four months after the conference.

Organizing Committee

Conference Chairs
Prof. Yonghui Li, IEEE Fellow, University of Sydney, Australia
Prof. Hiroaki Nishi, Keio University, Japan

Program Chairs
Prof. T. Ohtsuki, Keio University, Japan
Assoc. Prof. Suhuai Luo, University of Newcastle Australia, Australia

Program Co-chairs
Prof. Xiangjian (Sean) He, University of Technology Sydney (UTS), Australia
Prof. Ke Qin, University of Science and Technology of China, China

Publicity Chairs
Wijanto Hadipuro, Soegijapranata Catholic University, Indonesia
Betty Purwandari, Universitas Indonesia, Indonesia
Razali Yaakob, Universiti Putra Malaysia, Malaysia

Co-Sponsors
Ambient Intelligence Research Center of Keio university
Institute of mobility culture research center of Keio university

Co-Sponsors
Xi'an Jiaotong University
Keio University

Co-Sponsors
Cross-ministerial Strategic Innovation Promotion Program(SIP)

Technical Support

Topics

Software Engineering
- Software Agent Technology
- Middleware Design Technique
- Reliability & Modeling Analysis
- e-Government Engineering
- Modeling with UML
- Cost Modeling and Analysis
- Component-Based Software Engineering
- Mobile/Wireless Computing
- Computer & Software Engineering
- Communication Systems and Networks

Information Management
- Business strategy and information systems
- Management Information Systems
- Information systems planning and management
- Adoption of information technology in organizations
- Human factors in information systems
- Knowledge acquisition, expert systems
- Systems analysis and design methods
- Object-oriented enterprise modeling

Submission Deadline: Nov 25
Accept / Reject Notification: Dec 10
Author Registration: Dec 25
Audience Registration: Jan 12
